

Nevermind

Petit Biscuit

Never mind
I'm always trapped by some pretty girls
Never mind
Got me stuck in a brand new swirl
Missing time
Don't remember what's the deadline
I can't visualize the end

One more problem
That I keep for me
Don't wanna spread them
So I'm better to leave
The more the mist rises
The slower it is, yeah
To find a new exit door
And shine again

Trustin'
Trust -
Who I'm trustin'
Trustin'
Trust -
Oh who I'm trustin'
Trust -
Who I'm trustin'
Trustin'
Trust -
Oh who I'm trustin'

Never mind
I only find peace when summer starts
Never mind
I feel empty once I'm satisfied
Tetanized
On this big stage I'm tetanized
But I'll give my very best
Oversize crowds
Is it real to me?
Thanks, you let the beast outta me
The more the beat hits
The more I believe, yeah
I'll find a new exit door
And shine again

Trustin'
Trust -
Who I'm trustin'
Trustin'
Trust -
Oh who I'm trustin'
Trust -
Who I'm trustin'
Trustin'
Trust -
Oh who I'm trustin'

Never mind

Never mind

Trustin'
Trust -
Who I'm trustin'
Trustin'
Trust -
Oh who I'm trustin'
Trustin'
Trust -
Who I'm trustin'
Trustin'
Trust -
Oh who I'm trustin'

Trustin'
Trustin'
Trust -
