

## Dead Reckoning

Petra

It's a new day at last, but you're sinking so fast  
If left up to your head, you'd remember the past  
But a new day has come and new life has begun  
Let the old pass away, reconsider it done  
There's got to be a reckoning  
When you feel the Spirit beckoning

It's a dead reckoning  
Trade the old for the new  
It's a dead reckoning  
Learn to die daily till the new life comes through  
It's a dead reckoning

You've got nothing to lose but you do have to choose  
When the Spirit says yes but the flesh will refuse  
And although you feel odd there are many who trod  
Till they're dead to the world but alive unto God  
Some still believe it can't be done  
To the steady the race is still won

And the battle is already through  
And it's hard to believe but it's true  
On a hill long ago where the blood runs below  
Died a King, two thieves, and you
