Red is the color of the blood that flowed Down the face of someone who loved us so He's the perfect man, He's the Lord's own son He's the lamb of God, He's the only one That can give us life, that can make us grow That can make the love between us flow

Blue is the color of a heart so cold
That will not bend when the story's told
Of the love of God for a sinful race
Of the blood that flowed down Jesus face
That can give us life, that can make us grow
That can keep our hearts from growing cold

Gold is the color of the morning sun that shines so freely on everyone It's the sun above that keeps us warm It's the Son of Love that calms the storm That can give us life, that can make us grow That can turn our mornings into gold

Brown is the color of the autumn leaves
When the winter comes to the barren trees
There is birth, there death, there is a plan
And there's just one God and there's just one man
That can give us life, that can make us grow
That can make our sins as white as snow

That can give us life, that can make us grow That can turn our mornings into gold That can give us life that can make us grow That can keep our hearts from growing cold That can give us life that can make us grow That can make the love between us flow
