

Never Let Go

Petula Clark

Wandering round the world I've seen
The good and bad, the end between
No one is perfect
This we all know
But my heart and soul keep telling me 'never let go'

Keep doing what you're doing
Givin' it all you can
Never let go

Wonderin' what it's all about
Sometimes you're in then you're out
Nothing is perfect
This we all know
But my heart and soul keep telling me 'never let go'

Keep doing what you're doing
Givin' it all you can
Never let go

Although the road is rough
The dissolution at every turn
Just remember these words of wisdom
'We live and maybe we'll learn'

If we could have seen the way ahead
Would this have changed the lives we've had

No life is perfect
This we all know
But my heart and soul keep telling me 'never let go'

Keep doing what you're doing
Givin' it all you can
Never let go
Never let go

Never let go
No no no no no no
Never let go
Never, never, never, never, never let go
Never let go
Never let go
