

Awoken

Peyton Parrish

I'm not afraid
I'm not alone
I feel in my veins
Desire rage

Before I'll go
Before I fall
You'll know my name
And fear my call

I can feel it in

I'm awoken, I'm awoken
Night of the warriors
I'm awoken, I'm awoken
Everything inside me
I'm awoken, I'm awoken
Fury of madness
I'm awoken, I'm awoken
This is my final stand

The night grows dark
Then Odin drinks
The sounds of death
Shall not fear me

Before I'll go
Before I fall
You'll know my name
And fear my call

I can feel it in

I'm awoken, I'm awoken
Night of the warriors
I'm awoken, I'm awoken
Everything inside me
I'm awoken, I'm awoken
Fury of madness
I'm awoken, I'm awoken
This is my final stand
