Berserker

Peyton Parrish

Go

I can feel it always coming inside
Over and over and over again
And I don't know what is wrong with my mind
I guess I'm starting to sink again

There's something wrong inside
I've become

Immortal, vengeance inside of me
The sorrow feels like a castle
And the chaos forming around my veins
The berserker inside of me
Immortal, vengeance inside of me
The sorrow feels like a castle
And the chaos forming around my veins
The berserker inside of me
Go

I can feel it suffocating me
Over and over and over again
Feel the surge of the blood in my eyes
I guess I'm starting to sink again

There's something wrong inside
I've become

Immortal, vengeance inside of me
The sorrow feels like a castle
And the chaos forming around my veins
The berserker inside of me
Immortal, vengeance inside of me
The sorrow feels like a castle
And the chaos forming around my veins
The berserker inside of me

Falling, falling into the dark
Losing my senses
Falling, falling into the dark
Losing my mind
I'm falling into the dark
I'm losing my senses
Will somebody wake me up?
Fuck

Immortal, vengeance inside of me
The sorrow feels like a castle
And the chaos forming around my veins
The berserker inside of me
Immortal, vengeance inside of me
The sorrow feels like a castle
And the chaos forming around my veins
The berserker inside of me
