

Draugr

Peyton Parrish

Warriors, rise, it's time for war
Sharpen your axes, man of steel
Ek em draugr, ek em draugr

Row and row into the sea
Deep horizons call our name
Ek em draugr, ek em draugr

The ground begins to shake
Can you feel it, can you feel it inside, ah
Firar dreyrugr Bon mín, firar dreyrugr Bon mín

The monster inside
I can feel it, I can feel it inside, ah
Firar dreyrugr Bon mín, firar dreyrugr Bon mín

We shall not fall
Rise and reign
Firar dreyrugr Bon mín, firar dreyrugr Bon mín

Warriors, rise, it's time for war
Sharpen your axes, man of steel
Ek em draugr, ek em draugr

Row and row into the sea

Ek em draugr, ek em draugr

Firar dreyrugr Bon mín, firar dreyrugr Bon mín
