Fallen Angel

Peyton Parrish

Let me fall

The spirit of the dark reaches out for me
As the light begins to fade
Fallen angel, have you come for me?
My fears have come alive
Is this the afterlife?

Let me fall, the devil's got a grip on me
Let me crawl until my savior sets me free
Until my savior set me free

Is heaven calling me?
Fallen angel, have you come for me?
My fears have come alive
Is this the afterlife?

Let me fall, the devil's got a grip on me
Let me crawl until my savior sets me free
Save me, I don't know what to do without you
Release me, I don't know how to make this go away
Let me fall, I'm calling out for you to save me

Heaven, can you hear me?
I'm fading without you
Heaven, can you see me?
The devil's dancing around you

I just wanna be (I just wanna be)
I just wanna be (I just wanna be)
I just wanna be (I just wanna be)
I just wanna be free
Let me fly

Let me fall, the devil's got a grip on me
Let me crawl until my savior sets me free
Save me, I don't know what to do without you
Release me, I don't know how to make this go away
Let me fall, I'm calling out for you to save me

For you to save me
