

# Fenrir

Peyton Parrish

I am the breaker of chains  
I am the wolf of war  
I am the Ragnarök  
Fenrir will hunt you  
Down down down  
Fenrir will hunt you  
Down down down  
Fenrir will hunt you

I am the breaker of chains  
I am the wolf of war  
I am the Ragnarök  
Fenrir will hunt you  
Down down down  
Fenrir will hunt you  
Down down down  
Fenrir will hunt you

So you've come for me  
Yes, and this will be your last  
So a challenge  
Yes, a challenge  
Now face me

The prophecy  
Has come to you  
Immortal doom  
Between me and you  
The spear is thrown  
A bind is due  
The harmony  
Of death brings life anew

I am the breaker of chains  
I am the wolf of war  
I am the Ragnarök  
Fenrir will hunt you  
Down down down  
Fenrir will hunt you  
Down down down  
Fenrir will hunt you

I am the breaker of chains  
I am the wolf of war  
I am the Ragnarök  
Fenrir will hunt you  
Down down down  
Fenrir will hunt you  
Down down down  
Fenrir will hunt you

So you've come for me  
Yes, and this will be your last  
So a challenge  
Yes, a challenge  
Now face me

The prophecy  
Has come to you  
Immortal doom  
Between me and you  
The spear is thrown  
A bind is due  
The harmony  
Of death brings life anew
