

# Hail To Victory

Peyton Parrish

The waves amongst the seas  
Mountains mighty tall  
Fields of blood and seed  
The night before the fall

Hail to victory  
The sacrifice we share  
Sounds of harmony  
Valhalla is a-nigh  
Wars of history  
Tales be told along  
We shall must away  
To fight another day

The night before the fall

Hail to victory  
The sacrifice we share

Valhalla is a-nigh
