

# I'm Still Here

Peyton Parrish

I am a question to the world  
Not an answer to be heard  
Or a moment that's held in your arms  
And what do you think you'd ever say?  
I won't listen anyway  
You don't know me  
And I'll never be what you want me to be

And what do you think you'd understand?  
I'm a boy – no, I'm a man  
You can't take me and throw me away  
And how can you learn what's never shown?  
Yeah, you stand here on your own  
They don't know me 'cause I'm not here

And I want a moment to be real  
Wanna touch things I don't feel  
Wanna hold on and feel I belong  
And how can the world want me to change?  
They're the ones that stay the same  
They don't know me 'cause I'm not here

And you see the things they never see  
All you wanted, I could be  
Now you know me, and I'm not afraid  
And I want to tell you who I am  
Can you help me be a man?  
They can't break me, as long as I know who I am

And I want a moment to be real  
Wanna touch things I don't feel  
Wanna hold on, and feel I belong  
And how can the world want me to change?  
They're the ones that stay the same  
They don't know me 'cause I'm not here

They can't tell me who to be  
'Cause I'm not what they see  
Yeah, the world is still sleepin'  
While I keep on dreamin' for me  
And their words are just whispers  
And lies that I'll never believe

And I want a moment to be real  
Want to touch things I don't feel  
Wanna hold on, and feel I belong  
And how can the world want me to change?  
They're the ones that stay the same  
They don't know me 'cause I'm not here

I'm the one, 'cause I'm still here  
I'm still here  
I'm still here
