

Ragnarök

Peyton Parrish

The sky grows dark
Decay underneath
Ravens in the sky
And kings shall deceive

We have come into the night
Plunder, raise and war a-nigh
We have come into the night
Plunder, raise and war a-nigh

We will fight
Vikings
For Ragnarök

Drengir of Ragnarök
Drengir of Ragnarök
Drengir of Ragnarök
Welcome to Valhalla
Drengir of Ragnarök
Drengir of Ragnarök
Drengir of Ragnarök
Welcome to Valhalla

I can feel it in my veins
The warrior inside of me

Drengir of Ragnarök
Drengir of Ragnarök
Drengir of Ragnarök
Welcome to Valhalla

The sounds of horns
Fierce morality
Nightfall reigns
And the silence bleeds

We have come into the night
Plunder, raise and war a-nigh
We have come into the night
Plunder, raise and war a-nigh

We will fight
Vikings
For Ragnarök
Shield wall

Drengir of Ragnarök
Drengir of Ragnarök
Drengir of Ragnarök
Welcome to Valhalla
Drengir of Ragnarök
Drengir of Ragnarök
Drengir of Ragnarök
Welcome to Valhalla

I can feel it in my veins
The warrior inside of me

Drengr of Ragnarök
Drengr of Ragnarök
Drengr of Ragnarök
Welcome to Valhalla
