

# Scream

Peyton Parrish

The day a door is closed  
The echoes fill your soul  
They won't say which way to go  
Just trust your heart  
To find what you're here for  
Open another door  
But I'm not sure anymore  
It's just so hard

Voices in my head  
Tell me they know best  
Got me on the edge  
They're pushing, pushing - they're pushing  
I know they've got a plan  
But the ball's in my hands  
This time it's man to man  
I'm driving, fighting inside

A world that's upside down  
And spinning faster  
What do I do now without you

I don't know where to go  
What's the right team  
I want my own thing  
So bad I'm gonna scream  
I can't choose, so confused  
What's it all mean  
I want my own dream  
So bad I'm gonna scream

I'm kicking down the walls  
I gotta make them fall  
Just break through 'em all I'm punching, crashing  
I'm gonna fight to find myself  
Me and no one else  
Which way, I can't tell  
I'm searching, searching  
Can't find the way that I should turn  
I should turn right or left  
It's... It's like nothing works without you

I don't know where to go  
What's the right team  
I want my own thing  
So bad I'm gonna scream  
I can't choose, so confused  
What's it all mean  
I want my own dream  
So bad I'm gonna scream

Yeah, the clock's running down  
Hear the crowd getting loud  
I'm consumed by the sound  
Is it her? Is it love  
Can the music ever be enough?  
Gotta work it out, you can work it out

You can do it, you can do it

I don't know where to go  
What's the right team  
I want my own thing  
So bad I'm gonna scream  
I can't choose, so confused  
What's it all mean  
I want my own dream  
So bad I'm gonna scream!
