

# Take Me Away

Peyton Parrish

Yeah

Yeah

Get up, get out

Move on, move on, there's no doubt

I'm all wrong, you're right

It's all the same with you

I'm too thin, too fat

You ask why

So why, so why, so why, so why?

On and on and on and on

On and on and on and on

Don't wanna grow up

I wanna get out

Hey, take me away

I wanna shout out

Take me away, away, away, away, away

Round and round, here we go again

Same old start, same old end

Turn my head, turn back again

Same old stuff never ends

Do this, do that

Can't deal, can't deal with that

I tune in, I tune out

I've heard it all before

Hello and goodbye

Never asking me why

Goodbye, goodbye, goodbye

On and on and on and on

On and on and on and on

Don't wanna grow up

I wanna get out

Hey, take me away

I wanna shout out

Take me away, away, away, away, away

Don't wanna grow up

I wanna get out

Hey, take me away

I wanna shout out

Take me away, away, away, away, away

Don't wanna grow up

I wanna get out

Hey, take me away

I wanna shout out

Take me away, away, away, away, away

Round and round, here we go again

Same old story, same old end

Turn my head, turn back again

Same old stuff never ends
