

We Are Vikings

Peyton Parrish

Let's go

Ouh

The nightmare of eternity
Marches right before your eyes
As the ground begins to shake
Ravens fly amongst the sky
Battles of great divine
Torn hearts of fear and cries
Let the rage of war ignite
We were born to rise

We're gonna raid all your shit
Annihilate your villages
We're gonna raid all your shit
Plunder all for the hell of it

We're gonna raid all your shit (ouh, ouh, ouh)
Annihilate your villages (ouh, ouh, ouh)
We're gonna raid all your shit (ouh, ouh, ouh)
Plunder all for the hell of it (ouh, ouh, ouh)

We are
We are vikings
Warriors, stand up, fight
You're going down tonight
Berserkers, fury of war
We are, we are, we are vikings (ouh, ouh, ouh, ouh, ouh, ouh)
We are vikings (ouh, ouh, ouh, ouh, ouh, ouh)
We are vikings

Man of honor, man of war
Tales be told forever more
Bloody axes, bloody fields
Fight with honor, clash of shields
Roaring mountains from afar
Fearless soldiers fight with heart
Haunting lands of man and steel
Victorious reign

We're gonna raid all your shit
Annihilate your villages
We're gonna raid all your shit
Plunder all for the hell of it

We're gonna raid all your shit (ouh, ouh, ouh)
Annihilate your villages (ouh, ouh, ouh)
We're gonna raid all your shit (ouh, ouh, ouh)
Plunder all for the hell of it (ouh, ouh, ouh)

We are
We are vikings
Warriors, stand up, fight
You're going down tonight
Berserkers, fury of war
We are, we are, we are vikings
