

More Complicated Than A Sci-Fi Flick

Pg.99

Set it aside
You might want to leave
Say it ain't so
It's kept uncensored

Open wide
Do not suggest it
Run now
Exacerbation

Kick it
We've got some friends here
We'll plug it two-way
It's you alone, we'll both change

Not as a race,
Not as a creed,
Not as a sex, but as human beings

Set aside
Your actions now
Set a time
They're commonplace

Open wide
Do not attempt it
You implied
Your confusion

You can help yourself, but it won't take
You can save yourself, but it won't help

Not as a body,
Not as a mind,
Not as a heart, but as a living soul

Not as a body,
Not as a mind,
Not as a heart, but as a living soul

Not as a race,
Not as a creed,
Not as a sex, but as human beings

"Can't you see? These little programs are eating up suicide with a spoon. They're making it seem like it's a cool thing to do!"

"All we want is to be treated like human beings."

"Treated like human beings? When teenagers complain that they want to be treated like human beings, it's usually because they are being treated like human beings."

"Yeah? Well I guess I picked the wrong time to be a human being."

"You'll live."
