

Friday night we mobbin' in the club  
Act like you don't know me, want no hugs  
Hard liquor only, much better  
Don't spill on me girl, it's Margiela  
I don't really care what you do  
Or who you know  
Stop talking baby where my juice go?  
What a jungle  
But I love it tho  
And you got me talking like
