

## Let It Snow

pH-1

Oh the weather outside is frightful  
But the fire is so delightful  
And since we've no place to go  
Let it snow  
Let it snow  
Let it snow

Man, it doesn't show signs of stopping  
And I've brought me some corn for popping  
The lights are turned way down low  
Let it snow  
Let it snow

When we finally kiss goodnight  
How I'll hate going out in the storm

But if you really hold me tight  
All the way home I'll be warm

And the fire is slowly dying  
And, my dear, we're still goodbying

But as long as you love me so  
Let it snow  
Let it snow  
And snow

When we finally kiss goodnight (goodnight)  
How I will hate going out in the storm (in the storm)  
But if you really grab me tight  
All the way home I'll be warm

Oh the fire is slowly dying  
And, my dear, we're still goodbying

But as long as you love me so  
Let it snow  
Let it snow  
Let it snow

Let it snow, let it snow, let it snow, let it snow  
Let it snow, let it snow  
Let it snow, let it snow  
Let it snow
