

## As Far as I Can See

Phantogram

As far as I can see  
Nobody loves me  
As far as I can tell  
Nobody loves you with her  
As you were going down  
Up down the staircase  
As you were going down  
Up down the staircase aboard

As far as I can see  
Nobody's listening  
As far as I can tell  
Nobody's listening to me  
Are you glad I  
I found an answer  
Are you glad I  
Nobody cries back for me
