

Ashes

Phantogram

Holding back my feelings
Staring at my feet
If I knew how, I'd make it better
In a land of make believe

Ashes rise
Ashes rise

Ashes rise
Ashes rise

Floating to the ceiling
Sinking in your teeth
Oh I know oh I know, yeah I know you think I lie
And I'm crushing all your dreams

Ashes rise
Ashes rise

Ashes rise
Ashes rise

Am I good enough
Am I good enough for you?

Ashes rise
Ashes rise

Ashes rise
Ashes rise
