

Ceremony

Phantogram

Hold me I'm a miracle
Hold me I'm a miracle

Faded
Fade in
Fade out

It's my favorite daydream
Where everybody knows me

Hang back
Hang back
Get past

So be good
Just have fun

Hang back
Hang back
Hang back

Hold me, I'm a miracle
Hold me, I'm a miracle

Falling in the swimming pool
Naked in the neon moon

Hang back
Hang back
Just laugh

Animate my lonely
Solo ceremony
Insomniac
Come back

It's all for me
