Phantogram

Elvis
Nature
King
Dumb
Make believe

Pay it
Bought it
Bang
Out my mind

Credit
Awesome
Player
Major league

Axes
Swinging
Heartless
On my sleeve

You're on your way
I'm on your mind
You're on your way
It just takes time

You're on your way
I'm on your mind
You're on your way
It just takes time

Blondie
Kujo
Bookface
Comy Grone

Grinnin'
Bullies
Gaunt kid
On my own

Lightning
Flashing
Famous
Make the bed

I'm happy
Homeless
Helpless
Energy

You're on your way
I'm on your mind
You're on your way
It just takes time

You're on your way

I'm on your mind
You're on your way
It just takes time

Take it
Cut it
Make it
Print it
Sacred wallet
I don't even want it

Take it
Cut it
Make it
Print it
Sacred wallet
I don't even want it

4th of July
The fireworks you left behind
The sky is jaded
I hoped you liked the credit cards I left behind
The flowers faded
And I hate when you go, yeah, I hate when you go, 'cause my love keeps aging
I'm in the fire
Setting sun getting higher, getting higher
