

Happy Again

Phantogram

Hey, I saw you turn the other way
I know exactly what it feels like
We're turning inside
My eyes are red
Another tear and I'll be dead
Another lonely winter sundown
Just wanna shut down

It's easy to walk asleep in the daylight
I can't believe this is life
I can't believe this is my life

Another year gone by
I couldn't wait for the end
Looking for the day when I
I can be happy again
Another year gone by
I couldn't wait for the end
Looking for the day when I
I can be happy again

Hey, I hope you win the lottery
You can't handle what it feels like
Drowning inside
Stuck in your head
I can't remember what you said
Another empty summer sunset
Feeling homesick

It's easy to walk asleep in the daylight
Can you believe this is life?
Can you believe this is your life?

Another year gone by
I couldn't wait for the end
Looking for the day when I
I can be happy again
Another year gone by
I couldn't wait for the end
Looking for the day when I
I can be happy again

Don't you know I need you?
Don't you know I need you?
Wish that I could see you one more time

Another year gone by
I couldn't wait for the end
Looking for the day when I
I can be happy again
Another year gone by
I couldn't wait for the end
Looking for the day when I
I can be happy again

I can be happy again
I can be happy again

I can be happy again
I can be happy again
