

Mister Impossible

Phantogram

If I told you you'd think I was crazy, yeah
I'm the sun and the moon and the stars
I'm the earth I'm the water you walk on, yeah
I'm the sun and the moon and the stars

Dead guy I wanna see the light
What's on the other side
Will that satisfy me
Right now
I see a million miles
Feel like a holy child
I'll let the night keep rolling

Isn't it exciting
What am I gonna do
Feels oh so inviting
Just what you wanted too
Is this what you wanted
Mr. impossible
No time for deciding
Mr. impossible
Mr. impossible
Mr. impossible

Red sky
And now I see your eyes
It's gonna be alright
It's so electrifying
Right now my mind is opened wide
My heart is satisfied
The light is overflowing

Isn't it exciting
What am I gonna do
Feels oh so inviting
Just what you wanted too
Is this what you wanted
Mr. impossible
No time for deciding
Mr. impossible
Mr. impossible
Mr. impossible

If I told you you'd think I was crazy, yeah
I'm the sun and the moon and the stars

I'm the earth I'm the water you walk on, yeah
I'm the sun and the moon and the stars
Mr. impossible
