

## Cookie

Phantom Blue

Every time I see you boy, my little buttercup  
I want to eat a part of you, Your taste is what I love  
You're nothing like a Snicker's bar, you're more an Oreo  
Hard and crunchy on the top and sweet from down below

Oh, my cookie  
Oh, my cookie boy!

Can I lay my cookies on your sack?

You're nothing like a Pay-Day bar  
You are more like a Twix  
I want to take a bite of you and cover you with licks  
Your sweet and sexy caramel is driving me insane  
I want to rub my fingers through your marshmallowy mane

Oh my cookie  
Oh my cookie boy!

Can I lay my cookies on your sack? (2x)

Oh my cookie  
Oh my cookie boy!

Can I lay my cookies on your sack?  
Want to lick the fudge right off your back  
Can I lay my cookies on your sack  
Baby, you're so sweet you make me crack!
