

## Lied to Me

Phantom Blue

Ma ma ma money, money money money  
Sex drugs money let's live a little honey  
Had a dick for a mother and a bitch for a dad  
Little brother lost his mind  
His grades were too bad  
Didn't understand couldn't really see  
I could feel it I could feel  
Growing like a weed in the sick sense of me  
I could feel it I could see  
Some dumb stupid bitch in a white fuckin Benz  
Got shit-faced fucked burned all her friends  
Needle in her arm and her little car alarm  
I can hear her saying Oh God Why'd they

Lie to me  
Oh man they lied to me I'm sad  
Lied to me  
They never quit

Tell you what I want  
I ask you what I need  
Might as well be deaf and dumb  
And not read  
Never really mattered if you didn't understand  
They don't speak those words in fucking Iran  
Go the hell back  
Take your ugly hat  
I don't need ya I don't need  
Slimy little fucker with a knife behind your back  
I don't need ya I don't need  
Little sinless men saying  
Give me what you got  
I'll take my fat ass on home and buy myself a yacht  
I don't really mean to be crying so much  
I'm just pissed off 'cause the world's so fucked

The world seems to be spinning faster and faster  
I think it might stop
