

## Walking Away

Phantom Blue

Don't know where I've been  
Or what I had to gain  
Sometimes I wonder  
Was I to blame?

Four walls surround me  
In a world that seems so cold  
Still I keep trying  
To get my story told

I can't wait no longer  
It's time I move along  
I've waited so long  
Why keep hanging on?

I'm walking away  
Looking back at you  
Got nothing to say  
As I walk away from you again  
It wasn't easy  
I'm walking away  
And I'd do it all again

I can't explain all you put me through  
And I'm not afraid of living without you  
If it means the end that's what I'll have to do  
I can't pretend 'til the lies come true

I can't wait no longer  
It's time I move along  
I've waited so long  
Why keep hanging on?
