

It's Over

Phantom Planet

Aw guys, come on

Doo-doo, doo-doo, doo-doo, doo-doo
Doo-doo-doo-doo, doo-doo-doo
Doo-doo, doo-doo, doo-doo, doo-doo
Doo-doo-doo-doo, doo-doo-doo

She was just so selfless speaking
When you she had just told you yesterday
And yeah, you love her
And yet, it's over
And yeah, it's over now

It's a 20 second song
In its entirety, of course
This one's called "It's All I Can Do"
