

# Same To You

Phantom Planet

I don't mind it if  
You spend the day with him  
Just as long as you  
You spend the night with me  
I've been wondering  
You don't clean up your act  
It gets so bad that I  
That I just have to laugh

And every time you go away  
Will you be back some other day?  
You blame it on some memory  
Putting me in, you'll be back with me  
Look out!

Why the hell did I  
Go up and talk to you?  
Been in trouble since  
Since, since, since '82

And every time you go away  
Will you be back some other day?  
You blame it on some memory  
Putting me in, you'll be back with me  
Wooh!

Look out, you gave me love, it wasn't true  
Oh, look out, I'm gonna do the same to you  
Look out, you gave me love, it wasn't true  
Look out, I'm gonna do the same to you

And every time you go away  
Will you be back some other day?  
You blame it on some memory  
But in the end, you'll be back with me

Look out, you gave me love, it wasn't true  
Look out, I'm gonna do the same to you  
Look out, you gave me love, it wasn't true  
Look out, I'm gonna do the same to you

Look out, you gave me love, it wasn't true  
Look out, I'm gonna do the same to you  
Look out, you gave me love, it wasn't true  
Look out, I'm gonna do the same to you

I'm gonna do the same to you  
I'm gonna do the same to you  
Gonna do the same to you  
Gonna do the same to you
