

She's Gone

Phantom Planet

Feel the flow baby..
Ohh yeah.

Gone.
Get gone.
You had your chance to be with me.
So gone.
Get gone.
You had your chance and let it slide.

She's gone, she's gone, she's gone and I don't even care.

Gone.
Get gone.
Go to your droves and manage flies. (?)
So gone.
Get lost.
Go lay some other teenage guy.

She's gone, she's gone, she's gone and I don't even care.

She's gone,
she's gone,
she's gone and left me here alone.

Bye bye.
