

Been Here Before

Phantoms

Just getting your message
Bad intentions, what's the address?
South Flower & Sunset
No reception, let it happen
Considered the facts
I know where it's at, I'm pulling up
No fading to black
Minds fully intact, not looking for love

And it feels like
I've been here before
Feels like I've been here before
And it feels like
I've been here before
Feels like I've been here before

You had my attention
From the moment our eyes met
Don't know where we left it
But you left me and I'm selfish
You shot me a look
That's all it took to reel me in
How could I forget?
I didn't expect to see you again

And it feels like
I've been here before
Feels like I've been here before
And it feels like
I've been here before
Feels like I've been here before
