

# You Will Never Know

Phantoms

Hate to be the one to even say it  
Oh, thinking that this isn't real  
Ah, going crazy thinking that it's something  
Is it something now? Can we make it real?

You will never know  
You will never know  
You will never know  
Just how I feel

You will never know  
You will never know  
You will never know  
Just ain't enough now

You will never know  
You will never know  
You will never know  
You will never know  
You will never know  
Just ain't enough now

You will never know  
You will never know  
You will never know  
You will never know

You will never know  
You will never know  
You will never know  
You will never know

You will never know  
You will never know  
You will never know  
You will never know
