

Rainmaker

Pharao

Rainmaker... Rainmaker
I know you are my destiny
Rainmaker
Rainmaker, rainmaker give me your love
You've everything, I
Rainmaker, rainmaker give me your love
Tonight, tonight
When I walk the land of sun
Think of you my only one
And I stumble and I fall
It's just you my tragic
As I I'm wondering why
Why should I begin to cry
All I have between my hands
Is the hot and dusty sand
Rainmaker
Suddenly the clouds come up
Feel the rain with its first drops
And the clouds I seem to see
Is it dream or reality
Now I'm dancing in the rain
No more pain and crying day
Always knew inside of me
I know you are my destiny
Rainmaker... Rainmaker
I know you are my destiny
Rainmaker
Give me all your love... tonight
