

# The Ass

Pharoahe Monch

Fuck it I shagged her, without the use of dissolve Viagra  
Had her comin like Niagara Falls when I bagged her  
on the cellular my genitalia pitched the pelvis  
Uh-huh, when her hips gyrate like Elvis  
She tried to scurry hurry to finish very alone  
Tell my doggs what's necessary bout how I bury the bone  
She said (When you ready to blast, don't ask, say when)  
Had her screamin like lightin a nuke when I was halfway in  
In the past I used to send em back, give em the minimum  
Now I leave em with venom on they chin when I'm bendin em  
Y'all know the name - get it engraved, sex slave  
Stadium style, from the back, ass doin the wave (HEY!)  
Yellin to me is a felony  
Hell'll be froze over when I celebrate celibacy, case closed  
My Dick Rules Everything Around Me, D.R.E.A.M., get the ass  
without spendin the cash now, look at em  
Standin tall with the veins all in it  
Nuts ripped up with the brain all in it  
My man Mike to see more Dick than Dastardly and Van Dyke  
together help me make it through the pain struggle and the bad weather  
Yo, be on your way on your lesbian quest  
I'm chillin at the rest with Five Fingers of Death (uh-huh)  
and a whole lot of cash  
'Specially if y'all sisters ain't up in the..

The ass!  
Ladies..  
The dick!

Uhh, what  
Vaginas diamond studded, you know you love it  
Rub dick the right way, don't be cumin quick like express trains  
Make your Jones crazy  
Swallow bones but no babies, to stick this gotta lick this  
Tonight's entre is cherries bombay  
and thai-thai's flavored cafe latte  
Broke-ass bumba claat let's rock can't play with mines  
Need not ? danglin, pinchin my spine (ow)  
Hangin ten with the best of wenches, that never flinches  
Bench your game, part four won't score  
Gotta hit the backboard, like it raw backdoor  
Wanta pause hardcore porn style, ba-bay  
Who do it better? Say my name backwards and spell each letter  
Be havin grams of spasm, leavin on a stretcher  
and ? wet and incredible, suction  
punk-ass you're wack pumpin, ready to rupture  
Bustin wildly like N.Y.P.D.  
So typically we, wasn't ready for the fantasy freak  
Don't sleep, privately I peep with devices  
Energizers keep me vibratin in a crisis  
Representin my bitches, throwin clitorises  
like ventriloquistes limp, penises don't kiss these pussy lipses  
Please you play, clay with top grade shit  
I seen bigger dicks in pre-K

Nahhhhhh!  
The dick!

Niggaz  
The ass!
