

Arturo Sandoval

Pharrell Williams

His melodies wash up on your mind just like seashells
To remember that we're all golden as well
Arturo Sandoval and the story that he tells
(Reminds me)

Of El Dorado
Of El Dorado
Of El Dorado
Of El Dorado

His melodies wash up on your mind just like seashells
To remember that we're all golden as well
Arturo Sandoval and the story that he tells
(Reminds me)

His melodies wash up on your mind just like seashells
To remember that we're all golden as well
Arturo Sandoval and the story that he tells
Reminds me
