See see

See see

See see

[Pharrell]

Beauty is not hard to define

It is there inside

When you open your eyes

Hey, don't be blind, be open to see

Could she be the girl to help me see,

See the world?

(See see) The world (see see)

(See see) The world (see see)

(See see) The world (see see)

(See see) The world (see see)

(See see) The world (see see)

(See see) The world (see see)
