

## Double Life

Pharrell Williams

Yeah, brra  
Yeah  
Hey, what are you hiding? (Watch)  
What you do when you're gone? (Hey, hey)  
Nothing wrong being private (watch)  
Make sure it ain't wrong (yeah)  
Your life double-sided (watch)  
Two-faced like coins  
What side do I get? (Watch)  
What side are you on?  
So what have you done? (Brra)  
Some of your dirt has come to light (yeah)  
(Why were you) speedin' up that hill until the brakes come off? (Hey, hey)  
And someone saw you in a fight, am I right?  
It doesn't matter to you if you get heads or tails  
You just don't like the flip all the time  
But if you spin it, then you get to see both sides  
Oh, the thrill of the double life  
Lie detector time (watch)  
Do you feel bad when you lie? (Watch)  
The look on your face says the best life (watch)  
And then come home like it's fine, am I right? (Watch)  
So what have you done?  
Some of your dirt has come to light  
(Why were you) speedin' up that hill until the brakes come off? (Hey)  
And someone saw you in a fight, am I right? (Ah)  
It doesn't matter to you if you get heads or tails  
You just don't like the flip all the time  
But if you spin it, then you get to see both sides  
Oh, the thrill of the double life (brra)  
Who will you be tonight? That's the question (brra)  
Who will Gru be tonight? That's the question (yeah)  
I know you heard the rumors (hey), you must get over to it right away  
(oh)  
If anyone can do it, you gotta get there soon, it's not okay (hey)  
You got cars to drive, plenty jets to fly  
When will you arrive? You're running outta time  
Don't you see that everything is on the line?  
So, I'm sorry, but you have to choose a side  
You'll never know when it's your time to go (side)  
And where you end up in life, that's cold (side)  
You can't ignore, you're spending your life (side)  
Your watch is broken 'cause you spent all your time (side)  
It's now or never unless everything rights (side)  
Before the spinning stops, you must pick a side (brra)  
Who will you be tonight? That's the question (yeah, yeah)  
Who will Gru be tonight? That's the question (yeah)  
Who will you be tonight? (Hey) that's the question (ay)  
Who will Gru be tonight? (Aye) that's the question
