

Know Who You Are

Pharrell Williams

G **A** **D**
R: I know who you are, and I know what you're feelin'
G **A** **D**
I know who you are, and I know what you're feelin'

Bm **F#m** **G**
1. Bad day, at work, crazy boss, crazy or worse
Bm **F#m** **G**
Finger, pointin', but they, they depend on you
Bm **F#m** **G**
Inhale, exhale, in and out, like a seal
Bm **F#m** **G**
No no, aw yes, smile honey, no stress

Bm **F#m**
X: When your fire seems to get brighter
G
You know it's good
Bm **F#m**
And the situation doesn't seem that bad
G
You know it's good
Bm **F#m**
Can you imagine this started with a lighter?
G
You know it's good
Bm **F#m**
Perception that you never had
G
You know it's good

R: I know who you are...

2. Say your name, enclave, to live life, on the edge
Want you to know, I see, the power, is in me
No more, acquiesce, standin' up, with no stress
Will do, what I need, 'til every woman on the Earth is free

X: When your fire seems...

R: I know who you are...

G
Let me tell you all one time
A
I don't mind
D **Dsus4**
I know what you're feelin', feelin', feelin'

R: I know who you are...

Bm **F#m** **G**
*: And girl don't let them tell you that you don't deserve to unwind
Bm **F#m** **G**
And if they don't want to join us, cool, but it's our time
Bm **F#m** **G**
We just shake our heads, and dance, the moment so surreal

Bm **F#m** **G**
Isn't it sad? There's people in this world that don't know how this feels

G **A** **D**
R: I know who you are, and I know what you're feelin'
G **A** **D**
I know who you are, and I know what you're feelin'
G **A** **D**
I know who you are, and I know what you're feelin'
G **A** **D**
I know who you are, and I know what you're feelin'
Yes I do.
