Believe

Phenomena

In God's name Divine believers I cast you out O false deceiver The Lord Messiah Of all creation Will judge you now Until damnation Submit to me O son of tight I am the pentagram Of life Arch angel Lucifer In flame The Devil Beelzebub By name Believe I am salvation Believe I am the light Believe The power and the glory Believe Eternal life Believe I am creation Believe I am the way Believe I am the one God Believe I'm judgement day Oh Lord in Heaven

Hear my prayer Who's body and blood In faith we share Though I walk In death's dark vale Let not my faith In you now fall The curse of chains And fire damnation On you O prophet Of salvation Forsake your God Lay down before me Bare your soul O come adore me Odeam Abat Agila Achie Odeam Abat Agila Achie Luminet ignis Tuus Omnem terram Da mihi refugium In salute Tua

Stem in tumine
Gloriae Tuae
Et miseri cordial
Tua sit
Nunc sempitema
