

somewhere
beyond the horizon
standing in silence
hidden by dreams
reach out
keep wishing and hoping
like for the taking
you can make it, believe

jukebox
the land of music
jukebox
of fantasy
jukebox
the land of music
jukebox
your wildest dreams

halfway
halfway to heaven
out of the darkness
into the light
heartbreak
sleepers awaken
a world of wonder
behold paradise

jukebox
the land of music
jukebox
of fantasy
jukebox
the land of music
jukebox
your wildest dreams
