

## The Doctrine Of Eternal Ice - Part Two

Phideaux

Do you wait for me, do you wait for me now  
All time long - all night long  
Do you wait for me, will you wait for me now  
All night long - all night long

Innocent? It could go either way  
"Satan" has come... again  
Bringing some of his friends

He has won - his boys are having fun  
Hatred I can see you've won this time  
Satan's angels swarm to catch the tide  
Satan's angels fly

I'm only dreaming of a time when I'll survive  
I'm only thinking of a way to turn back time  
I'm only weeping cuz the sounds  
That around around have all died down

Climbing up the fire escape  
I can not move but that's okay  
I tell myself that you'll be here  
I'll wait for you, I'll wait for you

Bring down the rain
