

Get On Your Knees

Phil Campbell And The Bastard Sons

Get on your knees
Get on your knees
Don't wanna say it
But I'm the one you have to please
Spare me the striptease
It's not the 80s
Just get a grip please

Bet that you didn't see this coming
If you had then you would be running
Spare me the striptease
No need for unease
Prepare the deep freeze

You treat me like a disease, think I'm the poison
You take your hate out on me, say I'm the reason
Tell everyone I'm a freak but you're the monster
I have to say that I never wanna be like you

Get on your knees
Get on your knees
Don't wanna say it
But I'm the one you have to please
Think I'm the big cheese
Part of the A team
Stuck in the 80s

Every time that I hear you calling
All my thoughts just turn to stalling
Spare me the shit please
No need for unease
Prepare the deep freeze

You treat me like a disease, think I'm the poison
You take your hate out on me, say I'm the reason
Tell everyone I'm a freak but you're the monster
I have to say that I never wanna be like you

Get on your knees
Get on your knees
Get on your fucking knees

You treat me like a disease, think I'm the poison
You take your hate out on me, say I'm the reason
Tell everyone I'm a freak but you're the monster
I have to say that I never wanna be like you

You treat me like a disease, think I'm the poison
You take your hate out on me, say I'm the reason
Tell everyone I'm a freak but you're the monster
I have to say that I never wanna be like you
Like you
