

# Too Much Is Never Enough

Phil Campbell And The Bastard Sons

We're the misfits and we can't be tamed  
'Cause we are the bastards and we are not ashamed  
Breaking all the rules and taking back control  
We made a deal with the devil we've already sold our soul, yeah

Gonna play some rock and roll  
Party hard hit the road  
Rock 'n' roll will save your soul  
Rock your brain 'til your head explodes

Tick tick tick toc  
Running out of time  
Tick tick tick toc  
Going out my mind  
Tick tick tick toc  
Running out of time  
Too much is never enough  
Too much is never enough

Only takes one spark to start the fire  
Lifts the mood it takes us higher  
When the lights go down we feel the tension rising  
A sea of heavy metal horns adorn the horizon

Gonna play some rock and roll  
Party hard hit the road  
Rock 'n' roll will save your soul  
Rock your brain 'til your head explodes

Tick tick tick toc  
Running out of time  
Tick tick tick toc  
Going out my mind  
Tick tick tick toc  
Running out of time  
Too much is never enough  
Too much is never

Too much is never enough  
Too much is never enough

We're the misfits with an attitude  
'Cause we are the bastards and we are coming for you

Gonna play some rock and roll  
Party hard hit the road  
Rock 'n' roll will save your soul  
Rock your brain 'til your head explodes  
Gonna play some rock and roll  
Take the hits take the blows  
Rock 'n' roll will save your soul  
Rock your brain anything goes

Tick tick tick toc  
Running out of time  
Tick tick tick toc  
Going out my mind

Tick tick tick toc  
Running out of time  
Too much is never enough  
Too much is never
