Can't Turn Back the Years

Phil Collins

'No matter how much you think you want or need it, the past has to remain just that, the past...'

Could've given you everything that you need But I cannot turn back the years The perfect love was all you wanted from me But I cannot turn back the years

So we have to be strong, and I'm finding that hard We have to move on, but no matter how hard I try If your heart's in pieces, you look for the truth And when I look deep down inside I know, it's too bad I love yo u

Sometimes. hits me in the morning, hits me at night That I cannot turn back the years So I look out my window, turn off my light But I cannot turn back the years

Can't make it seem easy, when you're all that I see Can't live in a dream and I won't serenade the truth People are hurting and they're looking to me And I look at you there's nothing more to say, it's too bad I l ove you

But I'm never gonna give it up

All that I lived for, all that I dreamed But I cannot turn back the years You're the water i drink, you're the air that I breathe But i cannot turn back the years

So we have to be strong, and I'm finding that hard We have to move on, but no matter how hard I try If your heart's in pieces, you look for the truth And when I look deep down inside I know, it's too bad I love yo u

But I'm never gonna give it up
