## **Days Of Decision**

## **Phil Ochs**

Oh, the shadows of doubt are in many a mind Lookin' for an answer they're never gonna find But they'd better decide 'cause they're runnin' out of time For these are the days of decision

Oh, the games of stalling you cannot afford
Dark is the danger that's knocking on the door
And the far reaching rockets say you can't wait anymore
For these are the days of decision

In the face of the people who know they're gonna win There's a strength that's greater than the power of the wind And you can't stand around when the ice is growing thin For these are the days of decision

I've seen your heads hinding 'neath the blankets of fear When the paths they are plain and the choices are clear But with each passing day, boys, the cost is more dear For these are the days of decision

There's many a cross that burns in the night
And the fingers of the fire are pointing as they bite
Oh, you can't let the smoke keep on blinding all your sight
For these are the days of decision

Now the mobs of anger are roamin' the street From the rooftops they are aimin' at the police on the beat And in city after city you know they will repeat For these are the days of decision

There's been warnin's of fire, warnin's of flood Now there's the warnin' of the bullet and the blood From the three bodies buried in the Mississippi mud Sayin' these are the days of decision

There's a change in the wind and a split in the road You can do what's right or you can do what you are told And the prize of the victory will belong to the bold Yes, these are the days of decision
