

# Boundless

Phil Wickham

Love so deep  
You jump right in and just keep falling  
Love so high  
All the stars can't comprehend  
Love so wide  
East and west can't wrap the miles around it  
Your love is boundless  
Your love is boundless

Love so deep  
You jump right in and just keep falling  
Love so high  
All the stars can't comprehend  
Love so wide  
East and west can't wrap the miles around it  
Your love is boundless  
Your love is boundless
