

# Eyes Fixed

Phil Wickham

I look up towards the sky  
Eyes fixed on You  
Your presence is where I hide  
Above every fear I rise  
Eyes fixed on You  
And You'll never leave my side

Through fire or flood  
Through wind and the waves  
I follow Your voice through the darkest of days  
Whatever may come  
You carry me through  
Oh You are the One I choose

Eyes fixed on You  
Eyes fixed on You

I walk with You on the waves  
Eyes fixed on You  
You're with me, I know I'm safe  
Completely You captivate  
Eyes fixed on You  
I trust every word You say

Eyes fixed on You  
Eyes fixed on You  
Eyes fixed on You  
Eyes fixed on You

Whom shall I fear for You are with me  
Whom shall I fear; You are by my side  
You are for me; who can stand against me  
God, on You I fix my eyes  
Whom shall I fear for You are with me  
Whom shall I fear; You are by my side  
You are for me; who can stand against me  
God, I fix my eyes

Through fire or flood  
Through wind and the waves  
I follow Your voice through the darkest of days  
Whatever may come  
You carry me through  
Oh You are the One I choose

Eyes fixed on You  
Eyes fixed on You  
Eyes fixed on You  
Eyes fixed on You

Whom shall I fear for You are with me  
Whom shall I fear; You are by my side  
You are for me; who can stand against me  
God, on You I fix my eyes  
Whom shall I fear for You are with me  
Whom shall I fear; You are by my side  
You are for me; who can stand against me

God, on You I fix my eyes
