

# Falling In Love

Phil Wickham

So much beauty to discover  
I can hardly take it in  
I will ever stand in wonder  
Of a grace that never ends

The more I praise You  
The more I want to  
I'm falling in love, falling in love with You  
I lay my life down  
God, I am Yours now  
I'm falling in love, falling in love with You

We have barely scratched the surface  
Of Your death defying love  
Every breath I have is worth it  
A thousand songs are not enough

The more I praise You  
The more I want to  
I'm falling in love, falling in love with You  
I lay my life down  
God, I am Yours now  
I'm falling in love, falling in love with You  
Yes I am  
Falling in love, falling in love with You

For the stars at night  
Every sunset sky  
For it all, oh God, I say I love You  
For the world You made  
Every brand new day  
For it all, oh God, I say I love You

For the cross You bore  
Every nail and thorn  
For it all, oh God, I say I love You  
All I have inside  
Heart, soul, and mind  
For it all, oh God, I say I love You  
For it all, oh God, I say I love You  
For it all, oh God

The more I praise You  
The more I want to  
I'm falling in love, falling in love with You  
I lay my life down  
God, I am Yours now  
I'm falling in love, falling in love with You

Yes I am  
Falling in love, falling in love with You  
Falling in love, falling in love with You
