

High Above

Phil Wickham

Your mercy falls with the rain
Your powers displayed in the wild ocean
Your presence will always remain
Jesus your love reaches to the heavens
You are God, high above the Earth

Angels sing for You
Mountains melt at the sound of Your name
Oceans roar for You
All of creation gives You praise
You are God, high above the Earth
You are God

Jesus You're all that I need
Here is my life come and take it from me
Jesus You make me complete
With You at my side I can know no boundaries
You are God, high above the earth

Angels sing for You
Mountains melt at the sound of Your name
Oceans roar for You
All of creation gives You praise
You are God, high above the Earth
High above the Earth
So high above me, high above me

Oh the angels sing for You
The mountains melt at the sound of Your name
The oceans roar for You
And all of creation gives You praise

The angels sing for You
The mountains melt at the sound of Your name
The oceans roar for You
And all of creation gives You praise
You are God
High above the Earth
You are God, high above the Earth
