

Marvelous

Phil Wickham

You are the Bread of Life

Your words can satisfy
My every need
My cup cannot run dry

Your water flows within me
Your love has satisfied

My every need
Marvelous and holy
King upon the cross
I will serve You only,
Make my life Your own
I'll follow You forever
Give You all my love
Only You are God

My true and faithful friend
I cast my cares upon You
Your mercy draws me in,
Jesus
The mighty rushing wind
Brings me into Your presence
I call Your name again,
Jesus, Jesus

Closing

Only You are God

Only You are God
